Our Services

FREE Education

SMI Adviser offers live webinars and dozens of on-demand courses on topics related to SMI. Hear evidence-based insights, participate in live Q&A with faculty, earn CME/NCPD/CE credits, and enhance your clinical practice with guidance from experts.

FREE Consultations

All mental health professionals can submit questions to our national experts on bipolar disorder, major depression, and schizophrenia. Receive guidance within one business day. It only takes two minutes to submit a question and it is completely confidential and free to use.

Ask us about psychopharmacology, therapies, recovery supports, patient and family engagement, comorbidities, and more.

FREE Resources and Guidance

Find answers to hundreds of clinical questions in SMI Adviser's Knowledge Base. All content is reviewed by our team of national experts from APA, Harvard, Emory, NAMI, and more. Browse any subject area, ask a question to our interactive chatbot, or search for a specific topic.

Centers of Excellence in Clozapine, Long-Acting Injectables, and more

SMI Adviser maintains unique, interactive communities around important topics such as clozapine, long-acting injectables, and digital health. It also has resource hubs on COVID-19 and AOT. Get direct access to resources, education, consultations, peer-to-peer discussion, and more on these topics.
